

Age Friendly Lower Columbia

Beaver Valley Rossland Trail
Warfield Area B (AFLC BC)

Attention Seniors 55+. We want your input.

Let's talk about seniors' activities and supports.

What do you have now? What is missing?

Social, advocacy, health, sports, education.

Please complete a questionnaire.

-available at Rossland City Hall and Alpine Drug Mart.
Completed questionnaires can be returned to either.

Age Friendly Lower Columbia (AFLC) is a project of seven local governments. The goal is to work with our seniors to create communities where all seniors have access to desired activities and supports. By collecting information from local seniors we hope to create and or enhance programs, for seniors, with seniors.

Please feel free to contact me with any questions or comments.
