

## **Annual Community Fruit Pick and Press**

**You are invited to pick fruit around town- apples, pears, plums! Bring your family, bring your friends.**

**When:** Sat. Sept 17<sup>th</sup> 10am

**Where:** Meet at the Ecole des Sept-Sommets (Old Maclean's school)

We will organize into small groups and spread out around town to pick fruit from trees located on public land.

**You are invited to press fruit on Saturday & Sunday Sept 17<sup>th</sup> & 18<sup>th</sup>**

Bring fruit from your trees, or from the community picking day.

Bring your own containers to carry home delicious juice.

**When:** Saturday from noon until 5pm and Sunday: Starting at 10am

**Where:** Larry Doell's house (very bottom of Esling Dr.)

\$10 donation requested to reward the hardworking press operator.

Call or email with your questions or to schedule time on the press.

If you prefer **canning**, the library has the Rossland Real Food pressure canner available.

Help keep bears wild and out of town by picking fruit inside the city boundaries.

**Please note:**

- A cougar has been spotted downtown. Keep a close eye on small children and pets .
- Put an electric fence around your compost to discourage bears.
- Please do not put birdseed out until the snow flies.
- Remember to put a sticker on your garbage bag and place the bag in a garbage can with a secure lid.

**Let's make good use of our bountiful fruit trees  
and make 2016 a year of zero bear fatalities**
