

The City of Rossland is seeking applications for volunteer positions for the following:

Arena Focus Study Group

The key purpose of the Arena Focus Study Group is to determine how to improve the viability of the Rossland arena by increasing usage and revenue of the facility by working with community members, City of Rossland staff and Council members.

The Study Group will consist of three representatives of Council, up to eight volunteer members of the public, and one staff member (non-voting).

Please submit your interest in writing or email by February 24, 2017 at 4:30 p.m. to:
