

JANUARY 2019

Public Notice – COR Asset Management Public Information Session

The City of Rossland will be hosting a general public information session next week regarding past, present and future initiatives of the City with respect to Asset Management planning.

The intent of the session is to help build further community awareness on why Asset Management is important, review the current state of Rossland's Infrastructure and provide general information on how the City has / is planning on taking further action on asset replacement. We believe that inclusive decisions and responsive engagement activities on this subject matter will result in a better-informed community having a greater sense of ownership related to City programs, policies and procedures.

Our event will be held:

DATE: TUESDAY JANUARY 29, 2019
TIME: 6:00 PM – 8:00 PM
LOCATION: Kirkup Salon, Prestige Mountain Resort
(1919 Columbia Avenue Rossland, BC)

We hope you can look to join us for this event! *Light refreshments will be provided.*

For further information, please contact City Hall at 250 362-7396.

Help the City of Rossland understand the impact different investment levels have on the future health of City infrastructure
