May 30, 2017

Dear Resident:

**Subject: Geotechnical Drilling – City of Rossland Public Works Yard**

Teck Metals Ltd. will be undertaking geotechnical drilling at the City of Rossland Public Works Yard (1778 3<sup>rd</sup> Avenue) from 8 am to 3 pm, Monday, June 5 through Friday, June 16, 2017. Traffic on 3<sup>rd</sup> Avenue will not be affected; however, a section of the Upper Centre Star Gulch Trail, running between 3rd and 4th Avenues, will be closed during this period.

The drilling will assess the impact of historic mining operations in the area. Once the work is complete, Teck will determine if any remediation work would be required. You may notice additional noise or work during this time, but we will do our best to keep any disruptions to a minimum.

If you have any further questions, please contact myself, Moss Giasson, Teck Lands Project Coordinator, at 250-608-0290.

Sincerely,

Moss Giasson  
Lands Project Coordinator
