

IMPORTANT NOTICE

FROZEN WATER LINES

Due to colder than normal temperatures and the increased number of calls the City has received from home owner's whose water lines have frozen inside their homes, residents may continue to experience frozen water lines.

The City is advising home owners to please leave a tap running at approximately one to two cups per minute until the weather warms.

If you have any questions please call the Public Works office at 250-362-2328.

Thank you.
