

PUBLIC HEARING NOTICE

Inter-Community Business Bylaw No.2624 (2016)

A Public Hearing will take place on Monday December 12, 2016 at 6:00pm to give all persons, who deem they have an interest in the proposed Inter-Community Business Licence (ICBL) Bylaw, No. 2624 (2016), an opportunity to be heard.

The purpose of the bylaw is to make obtaining a business licence easier and less costly for businesses that provide services in the participating communities (which include Rossland, Castlegar, Nelson, Creston and Kaslo). The cost of the ICBL will be \$85.00 in addition to obtaining a standard business licence of the business's home-based municipality. ICBL's can be purchased at any participating municipality.

A copy of the proposed bylaw may be inspected between the hours of 9:00 am and 4:00 pm on regular working days until December 12, 2016 at the City of Rossland Municipal Offices, located at 1899 Columbia Avenue, Rossland, BC and/or on the City's website at www.rossland.ca.

Comments from citizens concerning the content of the draft bylaw are welcome. For further information on proposed Bylaw No. 2624, please contact the undersigned.
