

The City of Rossland is seeking three volunteers for the

LIQUID WASTE MANAGEMENT PLAN LOCAL ADVISORY COMMITTEE (LAC)

- Members will represent the public interest and assist the Regional District to develop a Liquid Waste Management Plan that is technically, financially and socially feasible.
- Members will identify key issues and ideas and make recommendations to the Steering Committee on the Plan.
- LAC membership will be comprised of a diverse range of stakeholders and will meet periodically during the development of the plan.
- Members of the LAC are encouraged to attend the Public Open Houses.
- The LAC is an advisory committee, not a decision-making body.
