

The City of Rosland is seeking applications for volunteer positions on the

Washington Street Advisory Task Force

A key purpose of the Washington Street Advisory Task Force is to assist in the advisory capacity to the Owner's Representative on the Washington Street Infrastructure Renewal Project. Duties may include review of the tender package, bids, contract management, overall engineering, reporting and change orders.

The Task Force will consist of the Owner's Representative, a member of Council, staff and up to 4 (four) citizens with engineering qualifications and/or experience in managing major construction projects. Citizens will be appointed by Council.

The Terms of Reference for the Washington Street Advisory Task Force are available at City Hall and on the City website: www.rossland.ca
