

# MAJOR WATER INTERRUPTION

**Tuesday, August 2<sup>nd</sup>**

**11:00 pm – 5:00 am (Aug 3<sup>rd</sup>)**

Due to the construction on Washington Street, your water may be off during the time above as they change the main water line to Rossland. This is required to give us better controls and to ensure water quality. There will be a small supply line providing minimal water to town.

- **PLEASE AVOID USING ANY WATER**  
**DURING THE ABOVE TIME**
- **PLEASE TURN OFF ALL AUTOMATIC**  
**SPRINKLER SYSTEMS**

Please allow water to run for 2-3 minutes once it has been tuned back on. The City regrets any inconvenience concerning this matter and thanks you for your cooperation.

Water & sewer inquiries to Public Works 250-362-2328
