

# ***WINTER IS HERE***

PLEASE ENSURE ALL **GARBAGE CANS** AND **RECYCLING BINS** ARE OFF OF THE ROADWAY SO THE PLOW TRUCKS CAN CLEAR THE ROADS.

Please keep all bins in your driveway if you have one, or in a walkway, or on the boulevard as far back as possible.

## **BOULEVARDS ARE FOR SNOW**

Please keep all items off the boulevards.

(i.e. wood, trailers, boats, rocks, vehicle, etc.)

We will be ticketing, towing and removing items at the home owners expense.

## **PLEASE DO NOT PUSH SNOW ONTO ROADWAYS**

The City of Rossland has amended Policy #06-05 Road, Sidewalk & Stair Snow Removal Policy to allow for the recovery of all City costs related to removing snow or ice material that has been pushed onto the travel portion of City roads/alleys by any home owner or contractor. You can view all Policies and Bylaws at
