

REQUEST FOR QUOTATION **ROAD GRAVEL 2019-2022**

The City of Rossland is seeking quotations for the supply of Road Gravel- granular base as outlined in the Aggregates and Granular material section of the Master Municipal Construction Documents (MMCD).

Quotations are to be submitted by: October 3rd 2019, 2:00 pm

Quote to be submitted to : darrin@rossland.ca

Any questions should be addressed to: darrin@rossland.ca

Specifications and Requirements:

- To supply and/or to supply and deliver Granular Base (19mm) crushed gravel as define below:
- Total quantity of road gravel to be approximately 500-800 metric tonnes
- The unit price shall be quoted as follows:
 1. Supply and deliver or just supply (City picks up) to 1778 Third Avenue , Rossland, BC to sites as defined within the City Limits
 2. Include all materials, labour, plant, royalties, taxes and licences per metric tonne, taxes to be shown separately
 3. The contractor shall at his own expense establish or hire approved scales and each load shall be weighed.
- The aggregate shall be in accordance to the attached sieve analysis and the supplier shall run daily tests to ensure the material being supplied conform to the attached.
- Any materials rejected will be removed from the stockpile at the Contractor's expense.
- All particles shall be clean, durable, and free from coating of clay, silt or other objectionable or organic materials.
- All materials shall be dry at the time of weighing, if such is not the case, the City shall have full right to make the necessary weight adjustments as per amount of weight of moisture present.
- The City reserves the right to inspect and reject any supplied gravel product that does not meet the required specifications.
- **Delivery period: Completed by October 20th of each year. With 2019 completed by November 1st.**

Please provide your quote with the following: (1) separate lines for the gravel per metric tonne and freight per metric tonne (2) separate lines for the subtotal, tax and total (3) break out cost per year 2019,2020,2021.

The City of Rossland thanks you in advance for your submission. Only the successful party will be notified.
