

# Seniors Questionnaire

## Age Friendly Lower Columbia

Beaver Valley Rossland Trail  
Warfield Area B (AFLC BC)

Age Friendly Lower Columbia is a project of seven local governments. The goal is to work with our seniors to create communities where all seniors have access to desired activities and supports. By collecting information from local seniors we hope to create and or enhance community programs, for seniors, with seniors. Please take a few minutes to give us your feedback.

### 1. Where do you live? (please circle one)

Beaver Valley      Rossland      Trail      Warfield      Area B

### 2. What seniors activities or supports do you currently have in your community? (If you don't know of any then say "don't know.")

### 3. What activities or supports are missing in your community? This could include social (lunches or dances or ?, advocacy (assistance with applications or other forms, information), health, sports, education, - please, tell us your wish list.
